

Annex 3 – Key Literature

If you want to know more – References to the sparse literature on exit and phasing out:

- “Managing Aid Exit and Transformation – A Joint Donor Evaluation”, 2008
- “Assessment of the strategy for phasing out traditional development cooperation between Vietnam and Denmark”, TAS August 2009
- “Good Practice in transforming or closing bilateral programs”, a DFID Practice Paper 2006
- International Division of Labour: A Test Case for the Partnership Paradigm, Fride Working Paper 79, 2009
